## Covid-19 Level 1

Thank you for the amazing support as we moved into Level 1. We were excited to see our community back on site. We have noticed the calm independent start and finish to school has continued. We are continuing with the Ministry recommendation around 'good health practices'. Handwashing continues, and we have hand sanitiser available when required. The drinking fountains are open, but we are encouraging students to bring water bottles each day as this enables them to drink in class. Students have started to share their learning with other classes and we have been joining together for lunch and morning tea. Our first assembly will be held this Friday at 2pm. in the hub.

## Learning Conversations

This week we are holding Learning Conversations. Please check your booking. Teachers are excited to share the learning and share our curriculum developments with you. Students have also placed a Learning Journey item on Seesaw. We continue to use Seesaw to share your child's learning and share items from the classroom. Please check it and comment, the children love to read what you have written.

## Fundraising Team

The Fundraising Team met last week and would like to thank the community for the support around the Easter Raffle. The total amount raised was over \$1000. The focus for the remainder of the year is to look at ways we can support our community. We are looking into a way we can create a trade/produce swap event. Celebrate our local businesses and bring our community together without looking to fundraise. More information will be shared in the coming months around these ideas.

The fundraising Team have supported the purchasing of 2 more library trolleys, as we start to put the library back together and utilise our online library system.

## Pick Up -

We have noticed over the last week the Reserve pick up has become very dangerous. Two areas of concern are;  
1. Children crossing the Reserve vehicle entry - when walking home  
2. Parking in the Reserve - we ask you park facing outwards so you do not need to reverse.  
If you are walking home or parking on the road please come in and leave via the front gate. We do not want any foot traffic using the Reserve vehicle exit/entry.  
Please pick your child up from the gate, that way they are not walking around moving vehicles.

## Community Support

As a school we understand that Covid-19 restrictions could have placed many families and their businesses in hardship and as a school we are looking at ways we can help. We thank those families who have given us supermarket vouchers or food bag vouchers during the Lockdown and continue to pass these on to our families. We would like to provide an opportunity to support MATANGI families by advertising their businesses. This way we can try and use MATANGI locals where we can. If you would like to advertise your business please complete the [Booking Form](#) by 25 June. The first flyer will go out on 29th June.

## Tui House

Due to Covid-19 we held our invoicing for the month of March. We would appreciate if you could tidy up these invoices by the end of Term 2. If you have any concerns please contact the school office. The Tui House Holiday Programme will be running over the holidays. The flyer will be out next week along with the booking link.

## Winter Sport

Winter sports training has started and the season will begin next term for rugby, hockey and netball. Practice for rugby is at school on a Thursday night, senior hockey is Wednesday at 3pm and junior hockey is Friday lunchtime at school. The netball season will begin in Term 3 and run for 8 weeks. At this stage we are looking at having 2x Year 1/2 teams, 2x Year 3/4 teams and 2x Year 5/6 teams. Thank you everyone who has volunteered to coach or manage a team. We need another coach and manager for one of our year 1/2 teams and 3/4 teams. We are also needing 2 umpires to umpire our Year 5/6 teams. If you know someone who would like to coach, manage or umpire a team please get in contact with Ayla Sutherland, asap. [asutherland@matangi.school.nz](mailto:asutherland@matangi.school.nz).
